

Trust Primary Care Ltd is a federation of 20 primary care practices committed to providing high quality advice and treatment to people attending its clinics following referral from local GP practices. We offer skilled care from experienced GPs to enable patients to maintain their optimum state of health and well-being.

Trust Primary Care Ltd holds AQP status in the following:

Community-Based Dermatology Service

(Bradford & Leeds)

Community-Based Specialist Skin Surgery Service

(Bradford & Leeds)

Community-Based No-Scalpel Vasectomy Service

(Bradford & Leeds & Airedale)

Community-Based Ophthalmic Surgery Service

(Bradford)

Key Features:

- Experienced GPs from local primary care practices leading the services with consultant support
- Services delivered at various locations in Bradford and Leeds
- Short waits for appointments
- Easy to refer into via e-referral system
- Communications direct via SystemOne
- Improved accessibility for patients

See individual information sheets attached for further information on how to refer into each of these services.
